 - 6.3.1.2 The assessment of the performance of the Employee will be based on the following rating scale for KPI's:

- 6.3.1.3 The rating will then be multiplied by the weighting to calculate the final score;
- 6.3.1.4 An overall rating will be calculated based on the total of the individual ratings calculated above.

6.3.1.5 In the instance where the employee could not perform due to reasons outside the control of the employer and employee, the KPI will not be considered during the evaluation. The employee should provide sufficient evidence in such instances; and
