two rates whether such substitute rate appears on the reuters screen safey page or on some other screen page.

1.7 Interest rate to be fixed at date of conversion will be the applicable swap rate equivalent to the remaining Loan Period at the time of exercising the conversion option plus 136 (one hundred and thirty six) basis points

1.8 This Agreement shall bind the Borrower and its successors-in-title.

2. THE LOAN

- 2.1 The Loan shall be:-
 - 2.1.1 an amount not exceeding, in aggregate, R2 615 000 00 and
 - 2.1.2 utilised exclusively for the Project and the Borrower, hereby, undertakes that it shall comply with all provisions of this Agreement.
- 2.2 The Loan proceeds shall be paid by the DBSA to, and on the order of, the Borrower in such disbursements and in accordance with all provisions contained in this Agreement.

2.3 No On-Lending shall be effected unless provided for in this Agreement.

3. INTEREST

The Loan shall bear interest on the amount from time to time outstanding at a Fixed or Floating Rate, as the case may be at the election of the Borrower as follows:

3.1 FIXED INTEREST RATE

3.1.1 The Capital shall bear interest on the amount from time to time outstanding at a nominal fixed rate of Government Bond Rate 157 plus 136 (one hundred and thirty six) basis points per annum (final rate to be determined two days prior to the date of signing of this agreement by the Borrower).

3.1.2 Interest on the amount from time to time outstanding shall be compounded six-monthly and shall be due and payable on the last day of each Half-year. If payment of interest falls on a day other than a Business Day, such interest shall be payable on the next succeeding Business Day.

3.1.3 Payment shall commence on the last day of the Half-year during which the first disbursement was advanced to the Borrower.

- 3.2.1 The rate of interest applicable to the Floating Rate Loan disbursed and outstanding from time to time (expressed as a percentage rate per annum) shall be a six-month ZAR-JIBAR-SAFEX plus 122 (one hundred and twenty two) basis points. If, for any reason, it shall become impossible to determine ZAR-JIBAR-SAFEX or ZAR-JIBAR-SAFEX rates shall become unavailable by reason either of market dysfunction or any other reason unforeseen by the Parties, then the rate of interest applicable to the Floating Rate Loan shall be the ZAR-JIBAR-Reference Banks Rate plus 122 (one hundred and twenty two) basis points.
- 3.2.2 The DBSA shall request the principal Johannesburg office of each of the Reference Banks to provide a quotation of its rates. If at least 2 (two) quotations are provided, the rate will be the arithmetic mean (rounded upwards, if necessary, to the nearest thousandth of a percentage point) of the quotations.
- 3.2.3 The interest rate for each Interest Period shall be compounded sixmonthly based on the actual number of days elapsed and a 365-day year (irrespective of whether it is a leap year) and shall be payable in arrears on each Interest Payment Date.
- 3.2.4 Interest on the amount from time to time outstanding shall be compounded six-monthly and shall be due and payable on the last day of each Half-year. If payment of interest falls on a day other than a Business Day, such interest shall be payable on the next Business Day. Payment

The Borrower may, on any Reset Date convert all of the Floating Rate Loan into a Fixed Rate Loan provided that the Borrower shall give DBSA no less than 30 (thirty) business days notice of its intention to do so. Upon the exercising of the Conversion Option by the Borrower as contemplated herein, the amount outstanding from the date on which the Borrower shall exercise the Conversion Option shall bear a fixed interest rate as determined in terms of clause 1.7 above. The Borrower shall be notified in writing of the rate applicable at the time. Interest rate shall for the purpose of this sub-clause, be calculated on the same basis as indicated in sub-clause 3.1.2 above.

4. REPAYMENT OF LOAN AND PAYMENT OF INTEREST

- 4.1 The capital amount of the Loan shall be repaid in 20 (twenty) equal six-monthly instalments, commencing on the last day of the 1st (first) Half-year following the Half-year during which the first disbursement was made to the Borrower from the proceeds of the Loan; and thereafter at the end of each succeeding Half-year until the Loan together with interest thereon shall be fully repaid; provided that subject to the provisions of clause 7, the Borrower may, with 30 (thirty) days written notice to the DBSA, make repayments in excess of the abovementioned or repay the full amount outstanding, provided further that the Borrower shall not be entitled to make any repayments prior to the date on which the first instalment shall fall due in terms of this Agreement; provided further that this shall not jeopardise the proper completion of the Project.
- 4.2 An instalment shall be a fixed amount, determined as at the outset of the 1st (first) Half-year following the Half-year during which the first disbursement was made to the Borrower from the proceeds of the Loan; calculated as being sufficient to amortise the outstanding amount, plus interest at the rate set out in clause 3.1 above, in 20 (twenty) equal six-monthly payments. Should, at the outset of the said 1st (first) Half-year, part of the Loan still not be drawn by the Borrower, the amount of instalments shall be adjusted as and when drawings take place, in order to achieve amortisation over the original period of the Loan.

- 5.1 The DBSA shall be entitled, in respect of the Fixed Rate Loan, to charge a commitment fee of 0,5% (nought comma five per centum) per annum on all the undisbursed portion of the Loan as follows:
 - 5.1.1 in case where the Borrower has elected a fixed interest rate option, the DBSA shall be entitled to charge such a commitment fee effective 3 (three) months from the date of conclusion of this Agreement;
 - 5.1.2 in case where the Borrower has exercised the Conversion Option, the DBSA shall be entitled to charge such a commitment fee effective 3 (three) months from the date of the exercise of the Conversion Option by the Borrower.
- 5.2 Payment of the commitment fee shall be made on the same terms and conditions as the other amounts due in terms of this Agreement.

6. LATE PAYMENT

- 6.1 The Borrower shall be liable to the DBSA for the payment of penalty interest on all amounts payable, yet unpaid, in terms of this Agreement should the Borrower:-
 - 6.1.1 fail to pay on the due date any amount owing or which may become owing to the DBSA in terms of this Agreement; or
 - 6.1.2 with the DBSA's written consent defer the payment of any amount so owing.
- 6.2 Penalty interest shall be calculated with regard to the actual period during which the amount payable remained unpaid, at the Fixed Rate/interest rate of the Loan plus 2% (two per centum). Penalty interest shall be compounded six-monthly / three-monthly and payable on demand.

7. EARLY REPAYMENT

7.1 FLOATING RATE LOANS

7.1.1 The Borrower shall, subject to thirty (30) days written notice to the DBSA, be entitled to prepay any portion or the entire principal amount of the DBSA Loan. However, the Borrower shall be liable to pay Breakage Costs on the principal amount being prepaid otherwise than on the Interest Payment Date and any Unwinding costs.

7.2 FIXED RATE LOANS

7.2.1 The Borrower shall, subject to thirty (30) days written notice to the DBSA, be entitled to prepay any portion or the entire principal amount of the DBSA Loan, subject to the payment of a prepayment fee on the principal amount being prepaid. The prepayment fee shall be determined or calculated as follows:

7.2.1.1 where the interest rate of the Loan is less than or equal to the Reinvestment Rate (defined herein below), the Borrower shall be liable to pay Unwinding Costs only (if any) on the prepaid amount;

7.2.1.2 where the interest rate of the Loan is greater than the Reinvestment Rate, the Borrower shall pay to the DBSA an amount equal to the difference (calculated on a present value basis to the DBSA's prejudice) between the interest which the prepaid principal amount would have produced had there been no prepayment and the interest which would be produced by a reinvestment of the same amount having the same repayment schedule as the prepaid principal amount of the Loan as well as any Unwinding Costs.

7.2.2 The Reinvestment Rate shall be the rate at which the DBSA can invest the funds in the relevant Interbank Market, for the period equal to the remaining Loan Period as determined at the relevant Interest Payment Date of such prepaid principal amount.

- 8.1 All payments to or by the Parties under this Agreement shall be effected in South African Rands.
- 8.2 All payments under this Agreement to the Borrower shall be effected to the credit of such banking account(s) of the Borrower as the Borrower may from time to time direct, in writing.
- 8.3 The Borrower shall furnish the DBSA with all the necessary information regarding its officials who are authorised to apply for drawdowns on the Borrower's behalf.
- 8.4 All payments under this Agreement to the DBSA shall be effected to the credit of such banking account(s) of the DBSA as the DBSA may from time to time direct, in writing.
- 8.5 Payments to the DBSA in terms of this Agreement shall be effected without deduction and free from any taxes, charges, fees or other costs whatsoever.
- 8.6 Whenever any payment falls due on a Saturday, Sunday or Public Holiday under the laws to which either of the Parties are subject, such payment shall be made on the next succeeding business day.

9. CANCELLATION/TERMINATION OF DRAWDOWNS

- 9.1 The Borrower may, by giving 30 (thirty) days written notice to the DBSA, cancel any undrawn portion of the Loan provided that such cancellation shall not jeopardise the proper completion of the Project; it being understood that upon the giving of such notice the instalments referred to in clause 4.1 supra shall be reduced pro rata.
- 9.2 If the DBSA reasonably concludes, after consultation with the Borrower, that any portion(s) of the Loan will not be required to finance the Project, the DBSA may by notice to the Borrower terminate the right of the Borrower to make drawdowns in

respect of such undrawn portion; it being understood that upon giving of such notice the instalments referred to in clause 4.1 supra shall be reduced pro rata.

9.3 If the DBSA has not received a final application for a drawdown under the Loan from the Borrower at the end of the 1st (first) Half-year following the Half-year during which the first disbursement was made to the Borrower from the proceeds of the Loan, the DBSA may terminate further disbursements to the Borrower on 30 (thirty) days written notice to the Borrower unless the DBSA, after consideration of the reasons for the delay, has determined a later date for the purposes of this subclause. The DBSA shall only consider an extension on receipt of a written request from the Borrower and shall notify the Borrower of its decision.

- 10.1 The DBSA shall be entitled, after giving the Borrower 30 (thirty) days written notice, to suspend drawdowns from the Loan or to terminate this Agreement and to claim from the Borrower immediate payment of all the outstanding amounts should the Borrower commit any breach of this Agreement, provided that the DBSA may, at its entire discretion, dispense with the giving of the 30 (thirty) days notice.
- 10.2 Without derogating from the generality of the aforegoing, the DBSA shall be entitled to exercise its rights in terms of clause 10.1 above, upon the happening of any of the following events:-
 - 10.2.1 the Borrower failing to repay the capital amount and to pay interest in terms hereof, and failing to remedy such breach within the notice period referred to in 10.1 above requiring it to do so;
 - 10.2.2 any attachment being made or any execution being levied against the Borrower;
 - 10.2.3 any failure to repay any of the DBSA's loans or breach of any agreement entered into between the Borrower and the DBSA and/or with any other lender/creditor;

- 12.1 In the event that funding for the Projects, as set out in the Project Description, is secured from other sources of funding, amounts so received shall be utilised towards the Loan Agreement, which shall be reduced pro-rata. In the event of such funds being received prior to the final disbursements of the Loan, to the Borrower, the provisions of Clause 7 of the Loan Agreement shall become applicable.
- 12.2 The Borrower, hereby, warrants that it has obtained from all Government, Provincial, and other Authorities, the necessary licences, permits and other authorisations required in terms of environmental legislation, the Water Act and the Health and Safety legislation, for the construction, operation and maintenance of these projects.
- 12.3 The Borrower, hereby, undertakes to comply with acceptable environmental management principles and to ensure that a system is in place, which adheres to environmental requirements, throughout the lifetime of the Projects, and to ensure compliance with all environmental legal requirements.
- 12.4 The Borrower, hereby, undertakes that budgetary contributions will be made to the Bad Debt Provision to cover amounts outstanding for 120 days and more.
- 12.5 The Borrower, hereby, undertakes to ensure the strict application of its existing Credit Control Policy.
- 12.6 The Borrower, hereby, undertakes to develop an asset management and maintenance policy as well as the upgrading of the performance management system, by the end of financial year 2006/07.

13. ARBITRATION

13.1 Any dispute arising out of or relating to this Agreement concerning the interpretation of the terms and conditions of this Agreement or of compliance by any Party with the terms/conditions of this Agreement which is not resolved amicably through consultations or negotiations shall, subject to the other provisions of this Agreement, be settled by arbitration in terms of the Arbitration Act No. 42 of

1965, as amended from time to time; provided that a claim by the DBSA for the repayment of any monies due under this Agreement shall not be regarded as a dispute for the purpose of this clause and neither Party shall therefore be obliged to refer such a claim to arbitration.

A. ISIMANT . 181

14

13.2 In case of arbitration a tribunal shall be composed of one arbitrator who shall be appointed by the Parties by agreement or failing such agreement, by the chairperson of the Association of Arbitrators, who shall, in appointing such arbitrator, have regard to the qualifications and experience of the appointee in relation to the nature of the dispute over which he/she has to adjudicate. In case the arbitrator resigns or becomes unable to act, a successor shall be appointed in the same manner as herein prescribed for the appointment of the original arbitrator and the successor shall have all the powers and duties of his/her predecessor.

- 13.3 The arbitration shall be held at the place and in accordance with whatever procedures the arbitrator considers appropriate. In particular, the arbitrator, may, if he/she deems appropriate, conduct the arbitration in an informal and summary manner and without requiring pleadings or discovery of documents and without observing the rules of evidence. The proceedings shall be confidential and neither the Parties nor the arbitrator shall disclose to third parties any information regarding the proceedings, the award, or settlement terms unless the parties otherwise agree in writing.
- 13.4 After the institution of arbitration proceedings the tribunal may proceed with the arbitration notwithstanding any failure, neglect or refusal of either Party to comply with the provisions hereof or to take part or to continue to take part in the arbitration proceedings. The arbitrator shall within 30 (thirty) days of the termination of the proceedings render a final and binding written award including interest and costs, and furnish the Parties with written reasons for his/her judgment.
- 13.5 The provisions of this clause may be invoked by any Party by delivering to the other Party a demand, in writing, that an arbitrator be appointed to adjudicate in respect of a specified dispute.

PROJECT DESCRIPTION

PROJECT GOAL

1.

The Project goal is to provide municipal services to the communities residing within the Bergrivier Municipality area, through the funding of part of the Municipality's 2005/06 Capital Expenditure Budget and thus improving the living conditions of all the communities in the area.

2. PROJECT OBJECTIVE

The Project objective is to support socio-economic development in the greater Bergrivier area, through the provision of new, and upgrading of existing infrastructure, to directly benefit approximately 4 989 households. The implementation of the project will contribute towards the communities' and Municipality's objective of improving existing services and service delivery, as well as addressing backlogs, thereby, ensuring a higher standard of living for all.

3. PROJECT OUTPUTS

The Project entails the development of new and upgrading existing electricity, water, roads, storm water and service vehicles and equipment infrastructure throughout the Bergrivier Municipal area.

The loan of R2 615 000 is depicted as Loan 1 in the following table, as part of the total DBSA loan finance for the project, to the amount of R5 000 000 summarised in the table:

4. INSTITUTIONAL ARRANGEMENTS

The Project will be monitored by ad hoc visits of the project team and periodic reporting in particular:

- Claims will be supported, as and when necessary, by a brief progress report identifying the status of all the particular elements including expected and achieved cash flows.
- A report will be compiled and submitted to DBSA once implementation is complete, summarising the implementation, current operation and planned maintenance, particularly reflecting on the achievements against those expected or learned.
- A Project Steering Committee (PSC), on which the DBSA will be represented, will be convened by mutual agreement of interested and effected parties to oversee and coordinate development actions, to support the implementation, operation, maintenance and delivery of services of the Project, in a coherent manner. The Borrower shall have the responsibility for maintaining and operating the infrastructure, after full implementation of the Project.

5. DESIGN PARAMETERS AND GUIDELINES

- 5.1 Standardised specifications, as compiled by the SABS, shall be used for the design, materials and construction.
- 5.2 Design criteria shall include optimal site, infrastructure and space utilisation, cost-effective design and specification, energy efficiency and low-maintenance design approaches.
- 5.3 The design approach and specifications shall make provision for labour-intensive approaches, where appropriate.

5.4 Tenders for materials shall be awarded to local suppliers, on condition that prices are not more than 10% (ten percent) above those of non-local suppliers.

21

6. IMPLEMENTATION FRAMEWORK

- 6.1 Formal tender documents, with a comprehensive Bill of Quantities and construction drawings, shall be completed, before going out to tender.
- 6.2 The Borrower shall promote the involvement of local labour in the Project.
- 6.3 Preference shall be given to local suppliers of construction material, depending on availability, quality and price of materials and assurance of timeous delivery.
- 6.4 Careful Project execution, management and co-ordination shall be exercised, to ensure cost containment, during implementation. Expenditure on unforeseen costs and on site orders (variation orders) will receive special attention, by the Project Implementation Committee, in consultation with the DBSA.

7. ENVIRONMENTAL IMPACT MANAGEMENT

- 7.1 Environmental management will be integrated into the management of all the elements of the Project. The mechanisms that will guide the implementation of the Project will, therefore, include in its monitoring, all possible impacts on the environment.
- 7.2 Tender documents shall make provision for environmental rehabilitation measures and environmental management plans.
